The Old Timers won the Brookhaven League title for the third year in a row by beating the Blue Jays on successive evenings. In the playoff for the first half championship the Old Timers erupted for 4 runs in the first inning and went on to win by a score of 8-3. Jim Roessler and M. Zguris homered for the Old Timers to lend a balanced team attack. The Blue Jays had several rallies started but could not get the big hit to get them back in the game. The following night in a very exciting game, the Old Timers won the League Championship by downing the Jays 6-5. The four run inning again proved to be the downfall of the Jays as the Old Timers scored 4 runs in the third inning for an early lead. The Blue Jays came back to the game in the bottom of the sixth inning 4-4. In the top of the 7th Bob DiLello (4 for 4) got the game's winning hit. With two out in the bottom of the 7th the Jays started a rally that got them within one run of tieing but a fine catch of a line drive by Walt Reams closed out the rally. Mike Zguris had 3 for 3 for the Old Timers with some fine play at short-stop. Walt Chornoma, coach of the Blue Jays offers his congratulations to the Old Timers for their fine play.

In the first half playoff AMD downed the Circuits 13-1 to advance to the League Championships. Art Scott pitched a fine game and was backed up by a strong team hitting attack led by Bob McGonigle (3 for 4) with 3 RBI's and Roy Evans (3 for 4) with a home run and 4 RBI's. The following night AMD downed the Bio Meds 20-16 for the League Championship. Bob Mc-Gonigle continued his torrid hitting with a grand slam in the 1st inning for a quick AMD lead. The lead was extended to 9-4 by the third inning but the Bio Meds refused to quit and rallied for 12 runs in the next two innings to go in front 16-9. This proved to be all the runs for the Bio Meds as AMD kept creeping closer. In the top of the seventh inning AMD had moved to within three runs of the Bio Meds. The Meds got two quick outs and looked like a sure win. AMD, however, struck for eight consecutive hits and scored 7 runs to pull out the victory. In this game Bob Mc-Gonible (6 for 8) and 8 RBI's, Roy Evans, Smith Barrone, Yuhas and Losquadro led the hitting with Ted Daniels, Charles

Lumpkin New Champion In Men's Tennis Singles

The 1973 BERA Tennis Tournament ended last Tuesday, August 29, when Alexander "Sandy" Lumpkin defeated Allan Auskern to take the Championship in the Men's Singles, 6-2, 6-1.

Sandy, who came to BNL from Johns Hopkins this past February, is a tall, rangy player with good court coverage, a high-kicking spin serve, and a marked preference for the net game. Earlier this season, when his right wrist was in a cast, he was on the tennis courts playing as a lefty. When the cast was removed, he returned to his normal right-handed game.

In the earlier rounds of the tournament, Sandy, in turn, had defeated Foley 6-0, 6-2, Brandon 6-1, 6-1, and Kevey 6-1, 6-3, all of which were rather onesided scores. Prior to the championship match it seemed that hard-hitting, left-handed Allan Auskern possessed the skills and the playing style that would cause Lumpkin to extend himself if he were to win.

Lumpkin, on service, came back from a 0-40 start to take the first game after it was twice at deuce. In the second game, Auskern started out with a 0-30 deficit, to recover and win after twice deucing the game. At this point it looked to be a close match; both players were struggling to hold service. However, Lumpkin opened the third game with a service ace and went on to win it despite a double fault which made the score 40-30. In the next game, Auskern was down 0-30 before scoring; he managed to take two points before his service was broken. In the fifth game, Lumpkin lost only one point on a double fault and made a number of points on high-kicking services to Auskern's backhand which were too hard to handle

Auskern held service in the next game, after reaching deuce three times. The next two games and the set were Lumpkin's as he started a serve and volley game and began to take undisputed command at the

The first five games of the second set were all Lumpkin's. He was all over the court racing to the base line to make some great gets, following a low driving backhand to the net, and putting away overheads. Service was held by Auskern in the sixth game and Lumpkin in the seventh to end the match.

The first set lasted about 30 minutes; the second set was over within 23 minutes.

Auskern played well, except for some difficulty with return of service. He was hitting as hard as ever, but Lumpkin was hitting equally as hard and was keeping Auskern close to the base line. Since Lumpkin was able to get to the net, almost at will, the result of the match was inevitable. The better player won.
